

# So You're Dead... Now What?

02/04/09

## Intro:

74% of Americans believe in Heaven, less than 40% believe that hell is a real literal place.

### 1. Why does heaven exist?

Ephesians 2:4-7

### 2. Why does hell exist?

Hell exists for God to deal righteously with Satan and his fallen angels.

Matthew 25:41

Hell exists for God to righteously deal with unbelievers.

2 Thessalonians 1:8-9

### 3. What is hell like?

Luke 16:19-31

Hell is a place of unspeakable suffering.

Revelation 14:10-11

Fiery Torment (Rev 14:10)

Weeping and Wailing (Matthew 8:12)

Outer Darkness (Matthew 25:30)

No Rest (Rev 14:11)

Sorrow and Pain (Psalm 116:3)

Four lessons we can learn from the other side...

1. The rich man was conscious.
2. His eternal destiny was fixed.
3. He knew what he was experiencing was just.
4. He pleaded for someone to warn his loved ones.

## Conclusion...

If we really, truly believed in the rewards of heaven and the reality of hell our lives would be dramatically different.

Scary thought...
